Apologies T. Lidstone-Scott

Planning Application – Mr J Clark, Erection of Agricultural Storage Building. Mill Barn, Holt Road, Wood Norton.

The meeting started with the reading of correspondence received from local neighbours. Mr Bell had visited most of the local neighbours to inform them of this proposal. He relayed their comments.

After much discussion it was agreed to object to the siting of the building and propose another site which is acceptable to all parties. The reasons for the objection are, landscaping of the site and access which was felt to be dangerous.

The Council felt that if the position of the building was further away from the Holt Road and nearby properties this would be acceptable.

The meeting closed at 8.15pm.
